BOB BROWN HOUSE

March 5, 2026

Welcome to our new family announcement list!

We are so excited to launch our first ever family announcement list!

This email list was created to help keep everyone in the loop with what's happening in our home - including upcoming events, fundraisers, holiday celebrations, special activities, and the everyday moments that make our community so special.

Our goal is to make communication easier, more consistent and more fun. We know how important it is for you to feel connected to your loved one's home away from home, and we hope these updates help you feel more involved.

We also hope this will serve as a helpful resource for planning ahead and staying informed about opportunities to participate, donate or simply cheer on your loved ones and their peers.

If you ever have any questions, suggestions or ideas you'd like to share, please don't hesitate to reach out. We value open communication and welcome your feedback. This email list is just one more way we hope to strengthen the partnership between our team and your family.

We're so grateful for each one of you and the role you play in our resident's lives. Thank you for being part of our community - we're looking forward to staying connected!
