BOB BROWN HOUSE ANNUAL PROM

THURSDAY, MAY 21, 2026 @ 6 PM

507 ROGERS RD.

LEXINGTON, KY 40505

Prom season is HERE and we are excited to celebrate with our residents!

Our annual prom will be a fun evening filled with music, dancing, food and special memories for everyone involved. Families are warmly invited to attend and celebrate alongside their loved ones. We are also accepting donations to help make this event extra special including decorations, snacks, drinks, and formal wear items.

Thank you for helping us create a memorable night for our residents!

BOB BROWN HOUSE ANNUAL GOLF SCRAMBLE

We are excited for our 5th annual Bob Brown House Golf Scramble taking place this upcoming Wednesday, May 13th at the Woodford Reserve Club in Versailles. Over the past five years, this event has continued to grow, and this year marks our largest participation yet with 20 teams registered, 40 generous hole sponsors, and many wonderful auction items donated by supporters from all over our community. We are also excited to feature a \$25,000 Hole-in-One Challenge during this year's event!

The Golf Scramble is our largest fundraiser of the year, and the support we receive helps us continue providing meaningful opportunities, independence, and experiences for the individuals we serve every day.

A heartfelt thank you goes out to all of our staff, sponsors, donors, volunteers, and community supporters who help make this event possible - especially Sadie Dooley, for her hard work and dedication in organizing this year's scramble. We are grateful for everyone who continues to support our mission and make this event such a success.

Hope to see you at tee time!
